- Address:1673 Legacy Dr, Arlington Estate, Harare, Zimbabwe

## Hello There!

I am a front-end web developer. As a hacker, I assure an impenetrable site. I can provide clean code and pixel perfect design. I also make the website more & more interactive with web animations.

i Have vast experience in application of technologies, processes and controls to protect systems, networks, programs, devices and data from cyber attacks. My aim is to reduce the risk of cyber attacks and protect against the unauthorised exploitation.
